Respondent: Nancy MacDonald

This report covers the research findings presented in "How School Librarians Help Kids Achieve Standards: The Second Colorado Study" as well as those reported in Fast Facts No. 180 from the Library Research Service, which show that CSAP reading scores increase with improvements in school library programs. Various predictors of academic achievement are reported for the school and its peers. Note that these predictors cannot be explained away by school or community differences. ## Weekly Service Levels

### School Library Visits per Week

|                     | Your School | Elem. Schools Avg. | Avg. for Schools 500-699 Students |
|---------------------|-------------|--------------------|-----------------------------------|
| Ind. Student Visits | 50          | 250                | 349                               |
| Visits per Student  | 0.09        | 0.70               | 0.60                              |
| Class/Group Visits  | 19          | 6                  | 4                                 |

Choosing to visit the School Library as an individual, separate from a class visit, is a strong indicator of higher test scores.

### Information Skills Instruction per Week

|                     | Your School | Elem. Schools Avg. | Avg. for Schools 500-699 Students |

CSAP reading test scores increase with increases in total staff hours per 100 students.

\* Note: For the purposes of this profile, the terms "School Library" and "Library Media Center" are equivalent. To maintain consistency, this profile uses the term "School Library."

## Operating Expenses

CSAP reading test scores increase with increases in:

- School Library staff hours per 100 Students
- Print volumes per student
- Periodical subscriptions per 100 students
- Electronic reference titles per 100 students
- School Library Expenditures per student

### Operating Expenditures

|                    | Your School | Elem. Schools Avg. | Avg. for Schools<br>500-699 Students |

## Collaboration and Leadership

## Information Technology

### Weekly Hours Spent on Collaboration Activities

|             | Planning with Teachers | Teaching Students | In-Service Training | Reading Incentive Activities | Collection Development |
|-------------|------------------------|-------------------|---------------------|------------------------------|------------------------|
| Your School | 2                      | 4                 | 1                   | 4                            | 4                      |

Test scores rise in both elementary and middle schools as library media specialists and teachers work together. In addition, scores also increase with the amount of time library media specialists spend as in-service trainers of other teachers, acquainting them with the rapidly changing world of information.

### Computers per 100 Students

|  | Your School | Elem. Schools Avg. | Avg. for Schools 500-699 Students |
|--|-------------|--------------------|-----------------------------------|
| Library Computers w/Internet             | 1.4         | 4.7                | 2.8                               |
| Other School Computers w/Internet        | 13.4        | 16.3               | 16.0                              |
| Library Computers w/Catalog Access       | 1.4         | 3.9                | 2.6                               |
| Other School Computers w/Catalog Access  | 13.4        | 12.9               | 13.2                              |
| Library Computers w/Database Access      | 1.4         | 3.8                | 2.6                               |
| Other School Computers w/Database Access | 13.4        | 13.4               | 15.6                              |

Test scores increase as school librarians spend more time managing a computer network through which the school library program reaches beyond its own walls to classrooms, labs, and offices.

### Weekly Hours Spent on Leadership Activities

|             | Staff Meetings | Administrative Meetings | Faculty Meetings | Curriculum Meetings |
