## School Library Profiles - 2005-2006 School Year

## RANGELY HIGH SCHOOL 234 JONES AVE., RANGELY, CO 81648

234 JONES AVE., RANGELY, CO 8164 Respondent: Susan Steele

This report covers the research findings presented in "How School Librarians Help Kids Achieve Standards: The Second Colorado Study" as well as those reported in Fast Facts No. 180 from the Library Research Service, which show that CSAP reading scores increase with improvements in school library programs. Various predictors of academic achievement are reported for the school and its peers. Note that these predictors cannot be explained away by school or community differences. # Weekly Service Levels

### School Library Visits per Week

|                     | Your School | High Schools Avg. | Avg. for Schools<br>under 300 Students |
|---------------------|-------------|-------------------|--|
| Ind. Student Visits | -           | 1,089             | 172                                    |
| Visits per Student  | -           | 0.92              | 0.90                                   |
| Class/Group Visits  | -           | 24                | 12                                     |

Choosing to visit the school library as an individual, separate from a class visit, is a strong indicator of higher test scores.

#### Hours Open During a Typical Week

When access to school libraries is scheduled flexibly, reading scores improve 13-22%. Flexible scheduling allows students to visit the school library individually.

#### School Library Hours Open Per Week

|                                    | Your School |
