Check Out Colorado State Parks 2021

Check Out Colorado State Parks (cpw.state.co.us/librarybackpack), the result of a partnership between **Colorado Parks** and Wildlife and the **Colorado State Library**, provides 307 Colorado libraries with two park passes and adventure backpacks filled with information and educational activities. Patrons of participating public, military, and academic libraries can check out a backpack for a week at a time to visit state parks for free. While backpack circulation was down due to the continuing pandemic, this program provided critical access to nature for many during 2021. 397 patrons completed a survey about their park experience.

about nature, state parks, and libraries

This was my first visit to each of these parks after living here nearly 20 years. Thank you for the library pass access. I loved both of these parks and will visit again!

The Check Out Colorado State Parks program changed my view about what libraries have to offer:

We were able to access the boat ramp to tube the Colorado River! We saw herons and enjoyed the water. We also walked our dogs around the lake. Amazing program! We would not have gone without this.

This pass allows my family access to the State Parks on our unusual school year! Thanks for an opportunity to hike in January--that was a first for us! We hope you'll continue this program.

There were approximately 6,915 backpack checkouts in one year. That's 133 checkouts per week!
