In Colorado there are over 263 public library locations... That is more public libraries than King Soopers, City Market, and Safeway grocery stores combined!

Together the libraries have over 11M physical items in their collections. That’s more than 200 times the movie and TV show titles on Netflix, Prime Video, Max, Disney+ and Hulu combined.

Over half of Colorado public libraries provided automatic renewals in 2022. In 2022, 92% of libraries provided one-on-one help with technology. And 81% did not charge fees or fines for late items.

Libraries are evolving to increase access... Colorado libraries provide access to Millions of e-books, e-audiobooks, streamable songs, movies and TV shows. Over half of Colorado public libraries provided automatic renewals in 2022:

In 2022, more than 80,000 programs were offered for children, teens, and adults. A "library of things" can include outdoor games, tools and equipment, household items, technology and gadgets.

A total of 34,130 items are available in libraries of things across Colorado. If each attendee had bought a movie ticket instead, their total ticket cost would be roughly 1.6M.
